Training and education

Our greenhouses at Victoria Park, Bideford provide a supported training environment where people grow a variety of produce.

The produce is grown on our various sites without the use of pesticides and is on sale to the public at low cost.

Grow@Jigsaw also works in partnership with other training providers to offer a diverse range of training opportunities.

Where we are

Grow@Jigsaw

A growing space providing flowers, plants and vegetables for sale to the local community

FOR PEOPLE, NOT PROFIT

 **Westward**
social enterprise

What are the projects?

- **Grow@Jigsaw:** 01237 479762
The Greenhouse, Victoria Park, Bideford
- **Jigsaw Project:** 01271 314624
Two Rivers Industrial Estate,
Braunton Road, Barnstaple

Both projects are social enterprises. They have a community focus rather than a financial focus and are “not for profit”.

Jigsaw Furniture Project

The working environment provides structure and support. Both projects offer the opportunity to acquire AQA qualifications to gain skills, develop and progress into employment. We use furniture repair and restoration to train people and improve their employment prospects. Our Furniture Re-Use Centre has a range of quality pre-used items for sale, feel free to come in and browse.

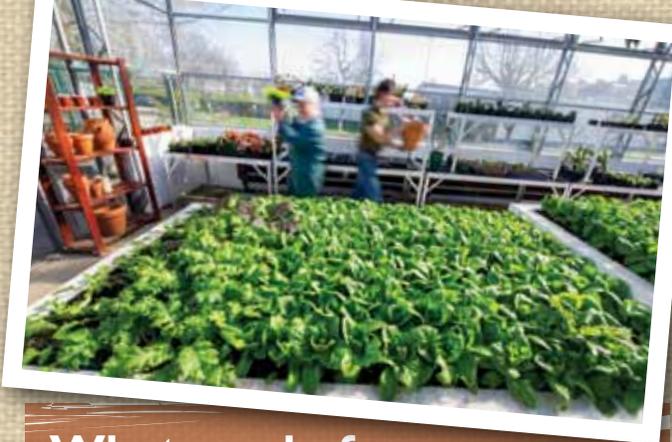

What is Grow@Jigsaw?

Grow@Jigsaw is part of Westward Housing Group. Our projects provide safe and supportive environments for people in which to learn new skills, regain self confidence and self worth. We aim to help people develop a sense of purpose and help them progress into work. In doing so we provide quality products and services for sale to the public.

Our produce and services include:

- **Vegetables and Veg Boxes**
- **Plants and Flowers**
- **Christmas Wreaths** (festive period only)
- **Gardening Service**
- **Contract Work**

What we do for you and your home

We offer fresh vegetables grown locally without the use of pesticides. These can be bought according to the season, either loose or in veggie boxes.

A range of indoor and outdoor pot and container plants is available to buy from the greenhouse.

Seasonal bedding plants can also be purchased to brighten your gardens, together with vegetable plants for your own growing space.

Through the seasons you find tomatoes, cucumbers, cabbages, leeks, sprouts, onions and a host of other green groceries.

If you need advice about any of your gardening activities, please don't hesitate to drop in and talk to us.

Our ever-popular festive Christmas wreaths are available from mid-December. Don't miss these fresh smelling, beautiful and natural decorations available at very reasonable prices.
